

Summary

Academy of Real Assets investors and their advisers.

Long term and far reaching philanthropic ambitions.

Member events with guest speakers expert in fields other than Real Assets, Real Estate and Investing.

The Academy:

- ✓ will make a significant, positive social impact on a large number of students from 2,000+ of the UK's most under-served state schools;
- ✓ will enable its members and schools to work together in the students' interests;
- ✓ will widen access to, and promote diversity in Real Assets, Real Estate and Investing;
- ✓ will hold events for members to meet and hear from expert guests from fields such as science, media, public policy, history, arts.

As a Member:

- ✓ be part of a group that will make a really significant, positive, social impact on students from 2,000+ under-served, higher-need UK state schools;
- ✓ take part in virtual panel discussions with students from these schools;
- ✓ help deliver these students and teachers' wishes for further interaction, engagement and events;
- ✓ help widen and diversify access to the Real Assets, Real Estate and Investing businesses;
- ✓ enjoy meeting other members at events that will be interesting and a breather from everyday business.

Corporate Social Responsibility, the "S" in ESG:

- ✓ receive an annual CSR report setting out the quantitative and qualitative social impact your membership has made;
- ✓ publish The Academy logo and mission on your website;
- ✓ allow your employees and stakeholders to be proud of the impact you have made through membership of The Academy.

Membership is by invitation only but if you would like more information please e mail us at membership@acadrealassets.com.
